# SUMMER NEWSLETTER

## New Staff!

We are pleased to announce that we have a new dentist joining the team from August 2023. Lauren will be taking over whilst Lisa is on Maternity Leave and will continue on at the Practice. Lauren will work a Wednesday and a Thursday Morning.

For Summer, we are also welcoming a new hygienist to the team. Claire, is already a qualified Dental Therapist, and is currently attending Aberdeen Dental School to become a fully qualified Dentist. Claire has agreed to join our team from July 11th to provide hygiene appointments to our patients.

With new dentists means more nurses, in May we welcomed Jasmin as our new trainee dental nurse, followed by Jenna in June who will focus more on assisting on reception.
